

Individual Diverse Global Distinct
Artists who champion good causes

Hello, I'm Koustubha Jagadeesh, an artist hailing from Bangalore and now based in Dubai. My art style is a blend of warmth, vibrancy, and expressiveness, starting with sketches in my trusty sketchbook before transitioning to digital mediums. With a penchant for thorough research, I infuse each illustration with a unique charm, covering a wide array of topics to bring diversity to my portfolio. Growing up in a culturally rich South Indian family and a city teeming with diversity has fueled my passion for exploring different cultures worldwide, reflecting in my art.
