

ANA SONDESA

Country of Residence: Spain

Nationality: Spanish

Hello, my name is Ana Sondesa, a whimsical illustrator from the Basque Country but now basking in the sunny vibes of Valencia. With a style that blends cute, detailed, and humorous elements, my illustrations pop with playful back lines that define my unique, bright creations. Drawing inspiration from my background as an animation art director, my endearing characters and creatures often steal the spotlight, especially when they're in animal form – a testament to my deep love for our furry friends.
