

## ANTONELLA FANT

Country of Residence: Argentina

Nationality: Argentinian

Hello! I'm Antonella Fant, a whimsical artist from Argentina known for my playful and expressive illustrations. My style mirrors my personality - sweet, childish, and full of emotion, especially through the captivating eyes of my characters. Working mostly digitally on my trusty iPad, I love diving straight into my ideas without sketching, believing that finished pieces hold more emotion. People often recognize my work as uniquely 'Anto,' a reflection of my deep connection to expressing emotions through art.
