Individual Diverse Global Distinct
Artists who champion good causes

Hey there! I'm Vibha Surya, a digital artist hailing from the coastal city of Chennai, now based in Bangalore, India. With a unique style blending digital art with traditional mediums using Procreate and Photoshop, I've crafted visuals for over 35 books, partnering with industry giants like Penguin Random House, Hachette, Scholastic and more. When I'm not immersed in the world of art, you can find me urban sketching with my local group or indulging in the calming crafts of crochet and weaving, thanks to my background in textiles.
