

AMANDA SHUFFLEBOTHAM

Country of Residence: UK

Nationality: British

Hello, I'm Amanda, a Graphic Illustrator with over 25 years of experience in Graphic Design. Transitioning to a more illustrative style in my mid-40s, I bring a unique blend of graphic leaning, strong shapes, and bold colors to my work, primarily in vector format. With a background in the print industry, I've honed my intuition and fostered successful client relationships. My journey into self-employment was driven by a desire to provide stability for my two sons while exploring and expanding my creative skills. This path has shaped me, instilling resilience, determination, and self-belief which I carry proudly.
