

## CHELLIE CARROLL

Country of Residence: UK

Nationality: British

Hello, I'm Chellie Carroll, a digital artist from the picturesque Peak District in northwest England. My art seamlessly blends intricate digital lines with hand-painted watercolours, infusing my creations with a unique depth and texture. Whether it's detailed line work or vibrant full-colour pieces, my art exudes a rare charm that captivates viewers. When I'm not immersed in art, you can find me scaling rocks as a qualified rock climbing instructor or exploring the moorlands and hills that surround my countryside home.
