

CLARA ROUX

Country of Residence: Argentina

Nationality: Argentinian

Hi! My name is Clara Roux, and I'm an illustrator from Argentina. I started drawing fan art for my favorite books when I was a teenager, and fell in love with illustration in the process. I'm proud to be a self-taught artist, and I think there's no better school than watching hours of Photoshop tutorials at 2 a.m. on a Wednesday. I love using bright colors and playing around with textures, and I'm a big fan of mixing traditional and digital art. When I'm not drawing, I can be found figure skating, knitting, or playing D&D.
