Country of Residence: USA

Nationality: American

Hi! I am Gaby. I am an illustrator based in Brooklyn, and I discovered my love for illustration at a young age, secretly sketching forest creatures in school notebooks. I pursued painting and storytelling, earning a BFA in illustration from Parsons School of Design. My work is inspired by nature, folklore, and nostalgia. I work in traditional and digital media. Constantly exploring new ways to create engaging images, I am always eager to share my creativity.
