

JASON MILLET

Country of Residence: USA

Nationality: American

Hello there! I'm Jason Millet, a dedicated illustrator and sketch artist who has created artwork for clients all over the world. My artistry lies in creating a unique fusion of cartooned realism in my illustrations, comics, storyboarding for TV, film, and advertising. You'll find the vitality of digital art, the warmth of oil painting, the versatility of acrylic, and the precision of pen ink in my work. What defines my technique is a distinct blend of various color approaches, and a painterly line inspired by the great illustrators of the 50s to the 70s.
