Country of Residence: Colombia

Nationality: Colombian

Hi, my name is Juan Calle, a digital illustrator based in Bogota, Colombia, where I run my illustration Studio, Liberum Donum. Specializing in creature and character illustration, my unique background as a biological illustrator infuses my work with a remarkable ability to craft lifelike creatures and intricate environments. Influenced by my passion for video games, comics, fantasy, horror, and sci-fi, I bring a distinctive touch to my art by incorporating elements from biology and ecosystems, enriching my illustrations with layers of depth and detail.
